# Nadya Hamad

# NADYA S. HAMAD MUÑOZ
## UX/UI/ Web Designer
Dublin, Ireland

## SUMMARY

I am Industrial Designer, after working for some years, in Companies of Exhibition & Display Stands in Colombia, I decided to cross the Atlantic in search of a new and exciting approach to web and visual design. I am making the cross between Interaction Design and lessons learned in the Industrial Design process, as well as, between users, services and products.
